## About Us

Established in 2007, Masters Academy is the leading provider of debating and public speaking education services to schools in NSW.

We offer extracurricular debating programs, incursions and gala days, delivered on school grounds, at many of the state's leading institutions, including: James Ruse Agricultural HS, North Sydney Boys HS, Baulkham Hills HS, North Sydney Girls HS and Manly Selective Campus.

We're on a mission to improve the quality, consistency and availability of debating education and opportunities.

We see online PD as a way of supporting teachers all over NSW and the country, amplifying the reach of our best practice methodology far beyond our own classes.
