

TERM 2, 2019: 8-WEEK DEBATING CLUBS FOR STAGE 3 STUDENTS

An opportunity for Years 5 & 6 students to learn from our expert coaches each week on school grounds.

Established in 2007, Masters Academy is the leading provider of debating and public speaking services to schools in NSW.

We offer extracurricular debating programs, delivered on school grounds, at many of the state's leading schools, including: James Ruse Agricultural HS, North Sydney Boys HS, Baulkham Hills HS, North Sydney Girls HS and Manly Selective Campus.

A debating club for Stage 3 would be an ideal way to introduce structured debating coaching at your school in 2019. Debating clubs are generally parent-paid so any expenditure by your school (e.g. light catering) is optional. Your expertly-trained Masters coach will cover a set scope and sequence throughout Term 2 on your preferred mornings or afternoons. Teachers are welcome to attend.

Testimonials

The quality of our debating and public speaking programs improved significantly with the support of Masters Academy Training... This has been one of the most worthwhile educational investments the school has made this year.

This is an excellent workshop that motivates children and simplifies the "how to" of debating whilst challenging their thinking and ability to logically present reasoned arguments.

A terrific seminar that was extremely helpful in developing my debating knowledge to be able to assist and guide my students forward in the world of debating. So clear and concise!
